

CELEBRATING SUCCESS

Welcome to the first edition of Mildenhall College Academy's celebrating success newsletter. The purpose of this newsletter is to celebrate and recognise the efforts and achievements of our pupils. Pupils at Mildenhall College Academy work hard in pursuit of excellence and they deserve to be praised and recognised for their efforts. In this newsletter you will find pupils who have been nominated by their Form Tutors and subject teachers for their hard work, commitment, effort and achievement in their lessons.

The academy's annual awards evening celebrated the success of many of our students. The pupils have worked exceptionally hard throughout the year and have received recognition for their efforts and commitment. The accompanying music was of an exceptional standard with some excellent individual performances as well as group performances. A big congratulations to all those who received an award on the evening and to all those who performed and made the evening a special occasion.
