

Celebrating Success

Mildenhall College were pleased to put on two performances of their Aladdin production . The production saw some excellent individual Musical and Theatrical performances as well as a well put together cast performance . The cast worked incredibly hard to get the production ready putting in rehearsal time both afterschool and at weekends. The acting was strongly supported by the art work which was produced by three pupils in their own time. Congratulations to all students involved in the production.

Ruben and Eden Handy have been going from strength to strength with their cross country. Both have been representing the county in their respective ages groups and are producing some very impressive results. At the recent Anglian Championships in Boston Ruben finished an impressive 9th place and was the second Suffolk county runner home. Eden finished a very respectable 37th narrowly missing out on selection for the English Schools team. Congratulations to both Eden and Reuben, the academy are very proud of all your achievements.

We would like to wish all of our year 11 pupils the very best of luck in their upcoming mock exams.
