Summer Exams

From Monday 20th June Years 7 – 10 will be sitting their end of year summer exams. These are important indicators of the progress your child has made over the course of the year. The results of these will be used to ensure we have the correct setting for our classes next year. Further information about these exams was published in our mailshot at the end of last half term.

We produce a rewards newsletter which celebrates success across the academy?

Contacting the Academy

It can be hard to know how to achieve the balance between offering your child too much support (and being accused by them of fussing) and leaving them to flounder and perhaps fail. At Mildenhall College Academy we encourage you to take a keen interest in your child's progress. Before contacting the academy the first place to check is the Go4Schools website (log in details can be found on page 22 of your child's planner). Here you can find out information about your child's attendance, behaviour, assessments and target

grades. If you have not found what you were looking for on 'Go' then please contact your child's tutor as they are your main point of contact within the academy. The tutor will be able to answer many questions themselves but if not they will direct you to the appropriate person.

The academy website is also a great source of information:

New Prefect Team

We are currently in the process of electing a new prefect team for the academy. Potential Year 10 candidates have nominated themselves for these prestigious positions.

Email Us!

We would love to hear about how you help to support your child with their studies. Please share any tips or advice that you have and we can print them in the next edition. If you have any suggestions of what information you would like to see in this newsletter, please contact us at:

Drop Everything And Read

It is an expectation of the academy that all students should be carrying suitable reading material. In Years 7 & 8 all students will begin lesson 5 everyday by completing ten minutes of quiet reading.
