

Instructions for Downloading Smart Notebook Software for Home Use

Navigate to: <https://education.smarttech.com/en/products/notebook/download>

Select Teachers Download and enter the key that has been provided by the IT Manager.

The screenshot shows the 'Teachers Download' tab selected. Below the tabs, the heading 'Teachers' is followed by a paragraph explaining that SMART Notebook is part of the SMART Learning Suite. A bulleted list provides details on accessing SMART lab, SMART response 2 (beta), and SMART amp. Below the list, a prompt asks the user to enter their Notebook software license key. A 'Step 1 - Enter your key' section contains a key icon, a text input field with a dashed line, and a right-pointing arrow button highlighted in yellow. A link at the bottom asks if the user is looking for an older version of the software.
