

Celebrating Success

The academy's annual Awards Evening celebrated the success of many of our students with over 90 students receiving awards during the presentation. The pupils have worked exceptionally hard throughout the year and have received rewards in recognition of their achievement, commitment and effort. The accompanying music was of an exceptionally high standard with some outstanding individual pieces. Congratulations to all of those who received an award on the evening and to those who performed to help make the night the special occasion it was.

Leading the way

A huge thank you and congratulations to the academy's prefect team who have been outstanding in helping to run a very successful Open Evening and Open Morning. The prefect team have set up a number of committees within the academy to ensure that all students voices are heard and acknowledged in our pursuit for excellence. The

prefect team have been a real driving force for the academy and have represented the student body at a number of events with outstanding effort and commitment.

Congratulations Austen
