

Sixth Form Results Day 2019

Number of students in cohort: 67

Overall pass rate: 98%

Percentage of students achieving A*-C: 62%

Finlay Boyle achieved 3A* and 1 A – in Computer Science (which he took a year early), Mathematics, Further Mathematics and Physics. Finlay is going to Durham University to study Natural Sciences.

Rebecca Abeyasekere achieved an A* in Chemistry and 3 As in Biology, Mathematics and Physics. She is going to Durham University to read Chemistry.

Charlie Butcher achieved 2 As in Biology and chemistry, a B in Mathematics and an A in his EPQ. He is going to Birmingham University to study Chemistry.

Chloe Glavin achieved a Distinction *, Distinction, Distinction in triple Health and Social Care. She is going to the University of East Anglia (UEA) to study Paramedic Sciences.

Joshua Sulman achieved 2 As in Biology and Chemistry, a B in Psychology and an A in his EPQ. He is going to Lincoln University to read Medicine.

The percentage of students achieving the higher grades of A*-C has increased from last year and is at its highest level for three years. This is testament to the hard work of the students and the skills and dedication of their specialist teachers. At MCA6 we believe that all students deserve the chance to reach for the highest academic success and we

are delighted when we see this achieved in such excellent results. I would like to congratulate all of our students and I wish them the very best in the future.

Mrs S Byles, Principal, Mildenhall College Academy

MCA6 offers students a nurturing and transformational Sixth Form experience which enables students of all abilities to succeed and achieve the highest academic success. Once again students at MCA6 have achieved an excellent set of results which will open up exciting career opportunities in the future.

Debbie Clinton, CEO at Academy Transformation Trust.
