Dear Parent/Carer

Re: Year 11 into Sixth Form Day

We are delighted to invite your son/daughter for a Taster Day at MCA6 on Friday 10th December 2021. The Taster Day is an opportunity for your son/daughter to experience four Level 3 subjects as part of their careers education.

We are confident that this will prove a valuable day in helping your son/daughter make up their mind as to which subject(s) they would like to study post 16 and whether a sixth form is the right choice for them. It is very important for students to invest time in deciding which courses are right for them. Additionally, students with a strong sense of direction tend to be better motivated in their GCSEs.

Following the Taster Day, Post-16 interviews will be held in January and February 2022 by myself and members of the academy's staff, to support students in the transition to Post 16 Education. During these interviews' options will be discussed and an offer of a place will be made to those students applying to MCA6. Finally, after the GCSE examinations we will be holding a two-day Sixth Form Induction Event on 6th and 7th July 2022.

Students should wear non-uniform to give them a sense of life in sixth form but are reminded face coverings are required to be worn. Lunch will be provided to all students and students will be required to remain on site all day.

If you or your child have any questions regarding the MCA6 Taster Day please do not hesitate to contact myself or Mrs Reay, Sixth Form Administrator at MCA6.

Yours sincerely

K. Sanders-Pope

Mrs. K. Sanders-Pope
Assistant Principal / Director of Sixth Form
