Dear Parent / Carer

### **Post-16 Information Evening**

We are delighted to offer you and your child the opportunity to come along to an information evening on Post-16 options. This event will be supported by West Suffolk College, who will be able to explain some of the alternative options to sixth form available to students after Year 11.

The staff from West Suffolk College will explain pathways such as Apprenticeships, College courses and T-levels with information to take away to consider.

This event will take place on 18<sup>th</sup> October 2023, at 6pm in the Main Hall and will last for approximately one hour. Please complete the below form and return it to the academy for the attention of Mrs J Seaney, Careers Administrator, alternatively you can email your response to [jane.seaney@attrust.org.uk](mailto:jane.seaney@attrust.org.uk) or complete the Microsoft form link below.

We look forward to welcoming you to MCA for an informative evening that will not only support our students but also parents/carers in making informed choices.

Yours sincerely,

## Mr R Goodenough
