Tuesday 7th November 2023

Dear Parent/Carer,

Thank you for your support in encouraging your child to take part in the UKMT Maths Challenge. This week we are commencing the revision sessions in preparation for the competition. A reminder of the dates are below:

Junior Maths Challenge

Year 7 & 8

60 minutes

25 multiple choice
questions

Thursday 25th April 2024

Senior Maths Challenge

Year 9, 10 & 11

60 minutes

25 multiple choice
questions

Wednesday 31st January 2024

Our sessions will take place **weekly** on **Wednesdays** after school at **3.30pm – 4.15pm** until 24th January. After this date they will run **fortnightly** until 25th April. Whilst this does clash with our current Year 11 maths revision, there will be plenty of resources available for students to take home and practice alongside other revision. Our first session will be **Wednesday 8th November**.

Please ensure your child has booked a place on the late bus or has other transport arranged for this time.

If you would like any further information on the challenges, you can visit the UKMT website ukmt.org.uk, or email myself or Mr McCoig.
