Dear Parent/Carer,

I am writing to introduce myself to you as the new House Leader of Seacole for this academic year. It is an honour to be given the opportunity to lead Seacole House with a clear emphasis on raising standards, driving progress and attainment and helping your child be as successful at MCA as they can possibly be.

At the heart of my role is the belief that every young person deserves to be seen, heard and supported in becoming the very best version of themselves during their time at MCA. I am looking forward to being able to do this as House Leader and alongside Mrs Chaplin, Seacole's Student Support Officer, who will continue the fantastic job with our students and help continue to build and sustain the Seacole ethos. There is also an excellent team of tutors assigned to Seacole House, who are dedicated to giving the support needed to help our students succeed. These tutors will remain your child's first point of contact should you have any concerns or queries.

I am a proactive individual who thrives on challenge, and I am passionate about creating opportunities for students to build confidence, feel included, and achieve their goals. I believe in fostering a collaborative environment where students, staff and families work together in a shared commitment to student success.

There are high aspirations already in place in Seacole house and are here to support, challenge and nurture your child to reach their full potential. I am internally grateful for the extremely hard work and unconditional support Mr Burt has put into Seacole house over the years, leaving Seacole in the best possible position. I am extremely proud to become a part of the pastoral team and will endeavour to ensure the students give their best efforts in every school day whilst having the best experiences during their time at Mildenhall College Academy.

In Seacole house we remain the following: spirited, encouraging, ambitious, caring, optimistic, leaders and equal. These are the qualities we are hoping to develop in your child once they have finished their MCA journey, so they can contribute positively to the wider community. I endeavour to ensure students are proud of their accomplishments and will look back at their time at Mildenhall College Academy with some amazing memories.

I am very much looking forward to working closely with you and your families to help support your child through this next chapter at MCA. I am here to help navigate challenges, offer encouragement and ensure that your child feels safe, respected and motivated every step of the way. I am extremely excited to start this journey, and to work with your child at MCA. Should you have any questions or queries, please do not hesitate to get in touch via email: daniel.weeks@attrust.org.uk

Best wishes,

Mr Daniel Weeks

House Leader – Seacole
