Monday 27th to Friday 31st October – Half Term
Monday 22nd December to Friday 2nd January – Christmas Break
Monday 5th January – Spring Term Begins

General Notices

Thankyou and Welcome Back!

It has been fantastic to welcome back our wonderful students this week. It has been a great positive start despite the changeable weather!

We recorded 7555 positive events in just 3 days with each student receiving at least 5 positive points on average for the first week. Very few detentions were issued and we have seen excellent industrious conditions in our classes. Thankyou to parents and carers who have supported our students to come back ready and raring to go. I know how big a job it is to make sure children and teenagers are ready for school in September!

Uniform standards have been excellent and I am really pleased that our further notices and guidelines relating to flared leggings have been noted and actioned.

A special mention must go out to our Year 11's who have impressed us all with their excellent attitude. The new 'Year 11 ties' seem to have been well-received and they look really smart.

We hope that as many of our Year 10 parents/carers and students can join us for the Year 10 Curriculum Information evening next Wednesday. This is an important event to learn about our KS4 courses and expectation in greater depth. The event will take place in the Main Hall. *Thankyou, James Oxley*

School Photo's

Please be aware that these are taking place on Wednesday 10th September. Year 11 will have a year-group photo in the morning on the hardcourts. All other students will have an individual photo taken. Students will be called up and taken in their classes to the portacabin to have their photo's taken throughout the day. Mr Leach will be leading the process.

Ties

We have been advised that our uniform supplier is currently out of stock of ties. If you have recently purchased a tie through Scopay, we are aware and have issued your child with a spare one from student reception. They are encouraged to wear it until ties are back in stock. We apologise for the inconvenience.

Waiting for the Bus – Expectations

Please could all students wait on the hard courts to be called. Walking up to the bus area is leading to congestion and issues with the buses entering and leaving site.

We are reminding students daily of these expectations and would be grateful if parents/carers could emphasise this at home.

Thank you for your support in ensuring the safety of all students and staff.

MCA6

It has been a pleasure to welcome our new year 12's and welcome back our year 13's to MCA6. The first couple of days have been really positive, it has been wonderful to see students engaging well in lessons, supporting each other, and embracing the opportunities that come with Sixth Form life.

We may still have a few tweaks to make with the timetables so please bear with us. Sixth Form student's will be allocated their own laptop once the required deposit has been paid via Scopay, this link is now open. Communication regarding the laptops was sent earlier in the week. *Miss Coxall*
