General Notices

A Busy Successful First Week

We had a busy and highly successful first week back. The Year 11's continue to impress us all with their fantastic work ethic and mature approach. Not only was their attitude and focus fantastic throughout the Sixth Form Taster Day on Wednesday, they coped admirably with their first Maths and English mock papers. A large number of Year 11's also enjoyed a Business Studies trip to Colchester Zoo.

The Year 8's had a special assembly on Tuesday to reinforce our expectations with regards to line up routines and making the most of the opportunities available to them in lessons. We have seen improvements in punctuality and focus from the year group since then and I am grateful for the response so far. Line Ups are an important part of our routines to ensure that we have adequate space on the corridors following break and lunch. It also serves as a useful exercise to allow students to transition from free social time to 'lesson-readiness' where group cooperation is required to ensure that all learners can thrive.

Road Safety

We have received the following concerning message from the police regarding road safety:

"This morning, students have walked right out onto the road, in front of a marked police car forcing it to do an emergency stop. This was on the junction of Comet Way and the Hub, as they have taken the mud footpath to the side of the main Hub entrance. Can they all be advised to use the closest crossing and to ensure they look before stepping out please"

We will remind the students in school but would be grateful if you could reaffirm this at home. Thank you for your help in keeping all our students safe.

ATT's Annual Christmas Card Design Competition is now open!

Please see the attached poster on how to enter ATT's Annual Christmas Card Design Competition!

All ATT learners are welcome to enter. There will be one primary and one secondary winner, whose designs will be used as our Trust's official 2025 Christmas Cards. Winners will receive £25 in book vouchers and printed copies of their cards to send to family and friends. Please note ATT are only accepting electronic submissions so students can keep their original designs.
