General Notices

Attendance and Rewards

Please be aware that we are running a prize draw for students who attended all 5 days last week and received no consequences. All eligible students will go into the prize draw and we will select a student from each year group. Winning students will have their photo shared in our next newsletter.

Last week saw a significant drop in the number of detentions issued and the number of GM's which is pleasing to see at the end of a half term when students are tired.

To continue the drive to celebrate attendance and an excellent work ethic, we will be holding another prize draw to end the half term. It has been a long half term and we want to end it on a high!

A special mention must go out to all of our students who represented MCA in a grand series of sporting fixtures this week. It is fair to say that this is a fantastic set of results with some significant drubbings of our local rivals. I am delighted that we will progress further in key competitions. Bravo!

Parent/Carer Forum

Last academic year a new parent/ carer forum was created. These forums were held once a term face to face at the academy. We are looking to improve on how we run these forums and your feedback would be greatly appreciated. Please can you complete the following form to assist with our planning. <https://forms.office.com/e/AxR3PbUzg8>
