Safeguarding Information

Parent Webinars on County Lines and Criminal Exploitation (Ivison Trust)

The Ivison Trust (formerly Pace) is a national charity working to keep children safe from exploitation by supporting parents, disrupting exploiters, and working in partnership with police and family services. Their work is grounded in a trauma-informed, family-centred approach.

During March 2026, the Ivison Trust is delivering a series of live webinars for parents and carers focused on county lines and criminal exploitation. The sessions help parents understand how exploitation happens, how children are groomed, what warning signs to look out for, and where to access advice and support. Each webinar includes local context, time for questions, and input from a parent with lived experience.
